

Dear Parents and Carers,

We are always striving to create a safer environment for our children, both online and offline.

The Safer Schools NI App will equip you with valuable resources on various topics, including online safety, mental health, bullying, and more, ensuring that everyone is informed about the risks and best practices associated with digital engagement.

To get started, simply download the Safer Schools NI app from your device's app store, select, St Patrick's PS, Belfast and follow the registration steps and input the registration code when prompted (see below).

Once registered, you'll have immediate access to a wealth of excellent resources designed to enhance your understanding and ability to support your child in navigating the digital landscape safely.

User Role - Parent Carer Primary

Login Code – 5954

Thank you for your continued support in creating a safer environment for our young people.

Kind Regards,

Mrs Neeson
