

Dear Parents and Carers,

We are writing to you following the recent shocking events in North Belfast. Our thoughts and prayers are with all members of our school community during this very difficult time.

We are aware that many pupils have been absent from school over the past two days. Please know that each and every one of them is deeply missed, and we look forward to welcoming them back as soon as it is possible and safe to do so.

The wellbeing of our children and families is our highest priority. We understand that, in times such as these, children, young people, and parents may feel anxious, unsettled, or uncertain. We want to reassure you that support is available, and we are here to help in any way we can.

If assistance is needed with transport to and from school, please do not hesitate to contact us. We are more than willing to support families to ensure that children can return to school safely, reconnect with their friends, and continue their learning in a caring and supportive environment.

If you or your child would benefit from additional emotional support, please reach out to us. Our staff are ready to listen and provide guidance where needed.

Thank you for your continued support and cooperation. Please keep in touch, and do not hesitate to contact the school with any concerns.

Yours sincerely,

Margaret Neeson

Principal
